

Coastal Swap Meet patrons and The Honda Way support Canuck Place

The Coastal Swap Meet has for several years had an arrangement with The Honda Way which directly benefits Canuck Place in Abbotsford. The Honda Way sponsors the supply of people movers to transport patrons of The Coastal from their cars in the parking lot to the venue entrance and return. Tip jars on these people movers invite patrons to donate with all proceeds going to Canuck Place in Abbotsford. Over the years our patrons have contributed several thousand dollars. The donation in 2017 was \$1039.75
