

Coastal Swap Meet patrons and The Honda Way support Canuck Place

Since 2011 The Coastal Swap Meet Society has had an agreement with The Honda Way which directly benefits Canuck Place in Abbotsford. The Honda Way sponsors the supply of people movers to transport patrons of The Coastal from their cars in the parking lot to the venue entrance and return. Tip jars on these people movers invite patrons to donate with all proceeds going to Canuck Place in Abbotsford. Because of your generosity and the help of The Honda Way we have been able to donate \$10,071 to Canuck Place.
